Up-coming 2nd International Creative Event in Ascoli Piceno (Italy), 27-28 September 2024

The project's partners will meet on Friday 27 and Saturday 28 September in Ascoli Piceno (Italy) for the 2nd International Creative Event & 4th partnership meeting. The event will involve artists, art schools and associations and the Municipal administration over three stages pivoting around "culture as the fourth pillar of sustainable development" as well as "back to the future" the sense of past and future on the binomy art/culture and sustainability inspiring citizens, communities, art and agents of culture at large...[\[read more\]](#)

Held Saturday 20 July 2024 the local creative event in Luiña (Ibias, Asturias, Spain) by Espacio Tormaleo

The community creative event & meeting “*New ruralities, creative and sustainable*” brought together culture, tradition, art, music and ethnography in a rural environment at risk of depopulation such as the parish of Tormaleo in the municipality of Ibias, aiming to promoting culture, creativity and art from the perspective of sustainability, demonstrating how culture and creativity in rural environments can also contribute to the achievement of the Sustainable Development Goals (SDG) and the 2030 Agenda. The event had a very dense program of activities, including: round tables, concerts, cinema, a community mural, popular food, recording of the podcast “Movidas de chigre”, a creative market and a collective exhibition of women...[\[read more\]](#)

Held Wednesday 28 August 2024 the local dissemination event in New Courtyard of Mazovia, (Ledóchowskiego, Poland) by Foundation for Landscape Protection (FOK)

The primary goal of the meeting was to raise awareness about the importance of integrating sustainable development goals (SDGs) into the preservation and promotion of cultural heritage. A total of 48 participants attended the local dissemination event. Attendees, including local stakeholders, experts, and community members, discussed strategies for safeguarding cultural assets while fostering social, economic, and environmental sustainability. The event served as a platform for exchanging ideas and building partnerships to ensure that cultural heritage contributes to long-term sustainable development... [\[read more\]](#)
